Comments

(Set forth by above question #, if applicable.
Use "Additional Comments" Sheet, if needed)

File #: 198-2347		
1: With microscopic hai	ir comparison, one cannot determine from the notes that the examina	tion was conducted
n an appropriate manner	1.	
#2. The results are not ac	dequately documented in the notes. The notes are not dated and are in	pencil
instead of ink. Abbreviat	tions are used that are hard to interpret. The microspectrophotometry	spectra are not
labeled correctly.
